

WELCOME TO THE FEEDMONT COMMUNITY DELIVERY PROGRAM

Below, we've outlined the proper protocol for food delivery:

1. **Wash your hands** before and after your volunteer opportunity. Use soap and water and scrub for at least 20 seconds. Use an alcohol-based hand sanitizer if soap and water are not available.
2. **Do not enter home even if invited**, except if someone needs assistance with bringing heavier items in. When helping, be sure to touch nothing in the house and **maintain a distance of 6 feet** between you and your match.
3. **Do not touch doorbells** with skin contact, call if possible.
4. Try to **shop during non-peak hours** if possible.
5. Please **wash or wipe** all the supplies, if possible, with isopropyl alcohol or whatever you have at your disposal.
6. **Follow all directions provided by the CDC** to mitigate community spread. bit.ly/CDCDirections

Thank you so much for your generous help in this difficult time!

Contact us at FeedmontCA@gmail.com or (510) 545-6845 if you have any questions!
